# ABOUT ISPRP

The Indian Society of Prosthodontics, Restorative and Periodontics plays a pivotal role in Indian oral health care sector. The society integrates, interdisciplinary dentistry, bridging gaps between specialties and fostering collaboration for comprehensive patient care. This approach enhances treatment outcomes through continuous education and research. The society helps disseminate this knowledge and contributes to the evolution of dental practices, ensuring patients receive the highest standards of care.

## ABOUT THE CONFERENCE

The 14th National conference of the Indian Society of Prosthodontics, Restorative and Periodontics offers students invaluable opportunities through lectures, workshops, and hands-on sessions to gain insights into the latest advancements in dental technology and techniques. Exposure to diverse perspectives and research stimulates critical thinking and inspires innovation among students, empowering well-rounded dental professionals equipped to address the complexities of oral healthcare. In addition, this conference also holds the promise of a fantastic opportunity to network with fellow professionals along with foot tapping music at the gala night and delectable local cuisine.

## ABOUT THE VENUE

I.T.S Centre for Dental Studies & Research is a premier ranked college for training and skill enhancement in the field of Dentistry for the past 25 years. The experience for gen-X dentists is carefully provided with amalgamation of technology, research and patient care. The institute also has a highly acclaimed campus with all modern facilities and will be an ideal partner to ISPRP for hosting an invigorating conference.
