ABOUT THE COLLEGE

I.T.S Dental College, Ghaziabad, marks its presence in the sphere of professional education for nearly two decades. With the state of art infrastructure, the 9 dental specialities are well equipped with latest diagnostic and treatment aids such as CAD/CAM, CBCT, Soft and hard tissue LASER, Endodontic microscope etc.

The college is committed to provide best to our students and give a brilliant exposure both at patient level and at learning and mastering different fields of Dentistry.

In consonance with the I.T.S-CDSR Mission, "In service for a healthy nation", our research teams work collaboratively with colleagues within the centre and other institutions countrywide to improve patient care.
