

ISPRP ESSAY COMPETITION-2019

The titles for this year's essay are:

- 1. Nanotechnology in interdisciplinary dentistry ---for post graduate students**

- 2. Current barriers in promoting interdisciplinary dentistry and the ways to overcome them ----for faculty and members**

- 3. Role of general dentist in the success of interdisciplinary dentistry --- for Interns**

Aims of the Competition:

* ISPRP is a professional association, with a specific objective of promoting scientific guidance and assistance to the dental fraternity, post-graduate students and government machinery regarding the advances in the field of dentistry with regard to restorative, prosthetic and periodontal treatment modalities.

* This essay competition is designed to foster the interest of the next generation of dental professionals.

Instructions to the Participants:

1. Participant can be either Post graduate student or specialist (Prosthodontics, Conservative Dentistry & Endodontic or Periodontics) or interns . They'll be judged under pg/faculty&member/intern category
2. Topics are different as above for different categories
3. Participant has to choose his/her category topic
4. Essay to be worded between 1000-1250 words, not more, not less.
5. The essay must have current and future scenarios rather than focusing on evolution of interdisciplinary dentistry, unless relevant to the suggestions offered.
6. Any reference to evolution of interdisciplinary dentistry must have reference to literature to prove effectiveness of interdisciplinary dentistry in the progress of knowledge, diagnosis, treatment planning and prognosis.
7. Essays to be submitted in soft copy format only with subject- "ISPRP 2018-19 ESSAY COMPETITION" – Category-PG Student/Faculty/Member/Intern" to the scientific chairman at drkpdkdental@yahoo.co.in, who'll then redirect it to the judges.
8. All essays will be run through plagiarism software by the scientific committee prior to forwarding to the judges, along with the report of Plagiarism. Plagiarism percentage of over 30% will get disqualified for judging.
9. The best essays will be considered for publication in "Journal of Interdisciplinary Dentistry", subject to the approval of the editorial committee.
10. The first prize in either category will get cash prize of Rs 3000/- plus free the registration to all scientific sessions and banquet at the 12 Annual National Conference of ISPRP.
11. The second prize in either category will get cash prize of Rs 2000/- plus free the registration to all scientific sessions at the 12thAnnual National conference of ISPRP.

The last date for submission of essays to the scientific committee is April 30, 2019.

With Warm Regards

Dr. L. Krishna Prasada

Scientific chairman ISPRP
