INDIAN SOCIETY OF PROSTHODONTICS RESTORATIVE - PERIODONTICS (ISPRP)

2nd ISPRP MID YEAR CONVENTION - 2020

RESTORE | REGENERATE | REJUVENATE

Guidelines for Clinical Case Competition (CCC)

Only Registered Members are eligible for participating in a Clinical Case Competition

1. Case should be of multidisciplinary approach (minimum two specialties should be involved in treatment of the case).
2. The submitted case should be original and should not copy images from other sources.
3. Maximum of three participants for one case presentation.
4. To include in the CCC atleast one specialists/postgraduate should be from Prosthodontics (or) Restorative (or) Periodontics. Along with these specialties other dental specialties also can be involved in the treatment of the case.
5. A case should be submitted in Microsoft PowerPoint.
6. Maximum of 15 slides can be used to insert case pictures, radiographs and other case related documents.
7. Each Microsoft PowerPoint should not exceed 25 MB
8. 1st slide should include (this will be masked to the judges)
 - a) Name of the participants
 - b) Name and address of the college/hospital/clinic
 - c) Phone number for correspondence
 - d) E-mail for correspondence
9. Submit only good quality images of affected/treated areas to preserve patient anonymity.
10. Cropping should be as tight as possible, to eliminate unwanted details.
11. The submitted cases will be displayed to judges in Microsoft PowerPoint.
12. The decision of the Jury will be final.
13. Selected best three cases will be presented in the main hall on the day of convention.
14. Presentation certificates will be issue to all the participants.

INDIAN SOCIETY OF PROSTHODONTICS RESTORATIVE - PERIODONTICS (ISPRP)

2nd ISPRP MID YEAR CONVENTION - 2020

RESTORE | REGENERATE | REJUVENATE

Guidelines for Debate Competition

Only Registered Members (PGs) are eligible for participating in a Debate Competition

1. Minimum of 2 participants and maximum of 3 participants from each side.
2. One participant among them should be a team captain.
3. The captain of the team should inform the scientific committee through e-mail (isprpscientific@gmail.com) about the members of their team
4. Topics:
 - A. Short clinical crowns – Tooth retention (RCT, Post core & Crown lengthening) vs Extraction & Implant placement
 - B. Immediate implant placement vs Delayed implant placement
 - C. Regenerative therapy as an adjunct to Periapical surgery vs Periapical surgery alone
5. Registered members willing to participate in debate competition should only select the topic (A or B or C). Once the registration is closed the scientific committee will decide on which entity of the topic the participant should prepare.
6. Time allotted for each group in debate competition is 8 minutes (Constructive speech and Rebuttal speech)
7. The competitors should follow the issues for debate i.e., Necessity, Beneficial, and Practicability
8. Speakers should speak in English only
9. Best Speaker, Best Debater and Winning Team shall be determined by the majority decision of the board of Judges.
