Celebrating Academic Excellence Honoring Top Performers in Prosthodontics, Conservative Dentistry, and Periodontics

To 15-04-2026

The Dean/ Principal

Dear Sir/Madam,

Greetings from ISPRP.

The Indian Society of Prosthodontics, Restorative Dentistry, and Periodontics (ISPRP) takes great pride in recognizing and celebrating the remarkable achievements of undergraduate and postgraduate students who have excelled and obtained highest marks in the fields of Prosthodontics, Conservative dentistry, and Periodontics, as a testament to their dedication, hard work, and exceptional knowledge.

These awards serve as a reminder to students that their efforts are valued, and their commitment to learning and growth will always be recognized and rewarded, cultivating a culture of striving for excellence. These awards serve as a beacon of inspiration, reminding students of the limitless possibilities that lie ahead when they combine passion, dedication, and a thirst for knowledge.

The ISPRP is committed to advancing the field of dentistry, promoting research, and facilitating professional growth. We strive to foster a supportive and collaborative environment to exchange knowledge & patient care by exploring innovative techniques. By recognizing and honouring the top performers in Prosthodontics, Conservative dentistry, and Periodontics, we reinforce the society's mission and emphasize the importance of academic excellence in driving progress in dentistry.

For the Undergraduate (UG) category, the award will be conferred upon the student securing the highest cumulative marks across Prosthodontics, Conservative Dentistry, and Periodontics in the final BDS university examination.

For the Postgraduate (PG) category, the award will be conferred upon the student securing the highest cumulative marks in either Prosthodontics/ Conservative Dentistry/ Periodontics in the final MDS university examination.
