Figure 1.1

2. Click On 'GALLERY'

Figure 2.1

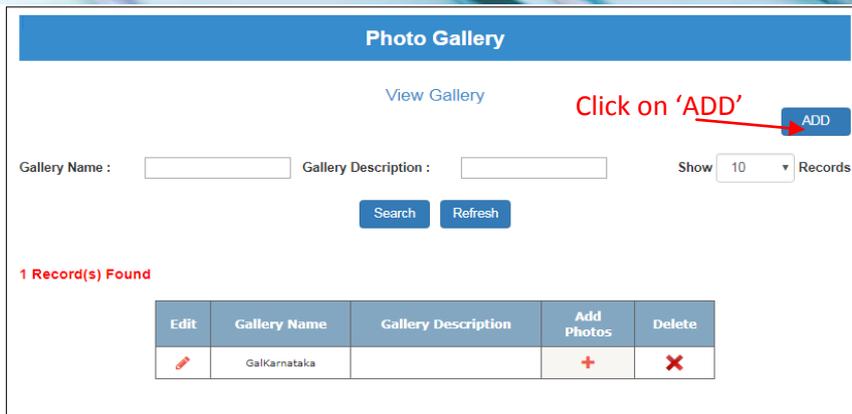

Figure 2.2

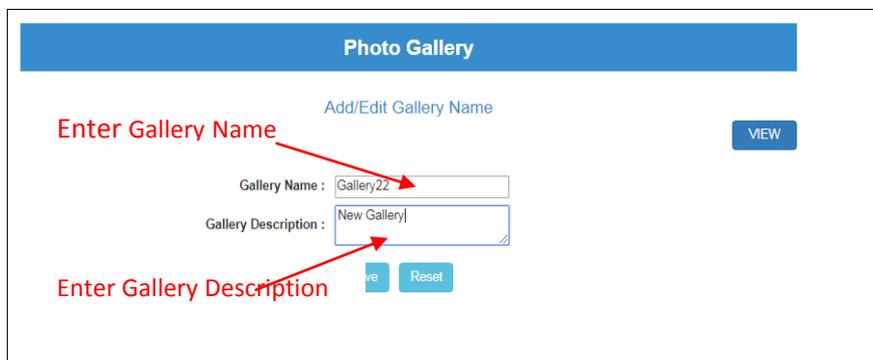

Figure 2.3

Figure 2.4

To create new gallery click on 'ADD' button as shown in Figure 2.2, Type gallery name and gallery description and click on 'Save' button as indicated in Figure 2.3, then a Pop-up message will appear as shown in Figure 2.4.

3. View Gallery

The screenshot shows a web interface titled "Photo Gallery". At the top, there is a blue header with the text "Photo Gallery". Below the header, there is a "View Gallery" link and an "ADD" button. The interface includes input fields for "Gallery Name" and "Gallery Description", a "Show" dropdown menu set to "10", and "Records" text. There are "Search" and "Refresh" buttons. Below this, it says "2 Record(s) Found". A table displays the following data:

Edit	Gallery Name	Gallery Description	Add Photos	Delete
	Galkarnataka		+	×
	Gallery22	New Gallery	+	×

Figure 3.1

After saving gallery, click on 'VIEW' button, to view your gallery name and description as shown in Figure 3.1

4. Add photos to Gallery

This screenshot is identical to Figure 3.1, showing the "Photo Gallery" interface with the same table of records. In this version, the "Add Photo" button in the table's footer is highlighted with a grey background, indicating it is the focus of the current step.

Figure 4.1
