

## ABOUT ISPRP

The Indian Society of Prosthodontics-Restorative-Periodontics (ISPRP) is a prestigious professional organization committed to advancing the knowledge and practice of Prosthodontics, Restorative Dentistry, and Periodontics in India. With a rich legacy of promoting Excellence, Research, and Education in these specialized disciplines, ISPRP has emerged as a guiding light for dental professionals. ISPRP serves as a platform for knowledge exchange, collaboration, and continuous professional development. By fostering a vibrant community of dental experts, it endeavours to shape the future of dental healthcare in India. The society's tireless efforts have contributed to significant advancements, improved patient care, and the elevation of dental standards across the country.

## ABOUT SRM DENTAL COLLEGE RAMAPURAM CHENNAI

SRM Dental College was started in the year 1996 and has been reputed to maintain excellence in the standards of dental education since its inception. It is a significant component of the SRM Institute of Science and Technology, which is deemed to be a University, under UGC Act of 1956. The college is located in the heart of the city with state of art infrastructure. It has a NAAC A++ accreditation and is a ISO 9001:2015 certified institution. The college is placed 6th in the NIRF rankings and aims at the impartation of Excellence, in Knowledge and Skills to students at the Undergraduate and Post graduate levels, promoting the application of current technology and concepts toward the practice of Cutting-edge Dentistry.

## ABOUT THE 1<sup>ST</sup> ISPRP UG CONVENTION

The 1st Undergraduate Convention, organized by ISPRP and SRM Dental college, Ramapuram campus, is a momentous event that aims to provide a platform for undergraduate dental students to enhance their knowledge, exchange ideas, and interact with renowned experts in the field of interdisciplinary dentistry. This convention will feature keynote lectures, interactive workshops and table clinics, scientific paper presentations, and poster sessions, and an enthralling quiz session thereby enabling students to broaden their horizons and stay up-to-date with the latest advancements in the interdisciplinary dentistry. It is a landmark event that holds immense importance for dental students and recent graduates. This convention shall additionally offer a unique opportunity to delve into the latest advancements, trends, and best practices in prosthodontics, restorative dentistry, and periodontics, under the guidance of renowned experts.
