### MILAN'19 BECKONS..

Greetings from IDA Malabar !!

IDA Malabar, one of the largest IDA branches in the country, is privileged to host the 51st Kerala State Dental Conference at Calicut. We've named it 'Milan '19.

'Milan' is the meeting. A meeting of friends, professionals and traders. A meeting of the heart and the intellect. Above everything else, a meeting of ideas.

'Milan '19' hopes to provide an ideal platform to share our thoughts, to imbibe and impart knowledge and to deliberate on the gnawing issues that threaten the future of this speciality.

With an anticipated turnout of around 4k delegates, 'Milan '19' promises to be, both a scientific conclave par excellence and an exciting social event at the same time.

### LOOK FORWARD TO...

Theme based SCIENTIFIC SESSIONS and PRE-CONFERENCE courses, featuring some of the most popular speakers and subjects. The 'Milan finishing school', where our freshers would get an opportunity to refine their basic clinical skills would be an added attraction.

A mega TRADE SHOW with around 200 stalls including all the major firms and products from across the globe.

The gala BANQUET at a scenic locale, around 10kms from the conference venue, on the banks of river Chaliyar, 'The Malabar Marina' would showcase the much famed ethnic cuisines of Malabar accompanied with some high quality entertainment.

With all this and more, spiced with the traditional hospitality of Kozhikode, IDA Malabar extends a hearty welcome to everyone associated with dentistry to Calicut..

Come...fall in love with Malabar !!
